P.S. - Why I have to say "thank you" officially for my packages, and so you know I've thanked anyone?

Tonight we are really feasting. - We basted an old hen & fat  
for a chicken, so I made us an oven and now the old  
bird really is beginning to smell scrumptious! - Can hardly wait!  
Gotta baste it now so

V - MALT Days + 40 a 1/2 long. Frank
